#### **SPANISH FOR FOREIGNER PROGRAM**

The 18 year Program of Spanish Language for Foreign Students is offered by a highly qualified staff of university professors and lecturers who organize 30 to 60 hours of intensive or semester based Spanish language courses in three levels:

elementary, intermediate and advanced.

These courses are designed in conjunction with the different academic institutions to fit the communication needs of foreign university students. Special attention is given to cultural aspects.

**Intensive Pre semester spanish programs are also offered.**

#### **III. DOUBLE DEGREE**

The Division for International Academic Affairs has worked together with the Faculties in order to make agreements with foreign universities in the area of dual degrees at the graduate and undergraduate levels.
